Good afternoon

Thanks for your reply.

As I am currently out the country and understand there is a deadline for submitting CPD portfolios as a hard copy, could I ask if I could have a slight extension as I will return to Zim in early January?

Good afternoon,

As a newly registered clinician on your register I understand that I am required to submit a CPD portfolio. Could you confirm please how many points I am required to have as paramedic? Additionally, do you require a 'hard copy' or do accept portfolio evidence through email?

Kind regards  
Ashleigh Lapham
