MASTER OF /PG DIPLOMA IN PUBLIC HEALTH SBCC PART I: 2022

23 November 2021

To whom it may concern

Please note that **Sibanda, Nomthandazo Blessings** (student no : **2578820**) is a student on the Master of Public Health Programme (MPH) at the university of the Witwatersrand. This Programme is offered on a two years full time block release basis.

I am aware that the MPH/DPH comprises coursework. I understand that the coursework consists of six (6) one-week blocks in 2022 for part-time students. During these blocks, MPH/DPH students are required to be at the University from 08h30 to 17h00 each day. In addition, I understand that my employee/colleague will have to avail himself/herself for examinations and supplementary examinations (if applicable).
