Radiation Protection Authority of Zimbabwe

"...Protecting people and the environment against radiation effects..."

RPA/TR/RSO/2022/05

This is to certify that

Anita Madakadze

Successfully completed the

**RADIATION SAFETY TRAINING COURSE FOR RADIATION
SAFETY OFFICERS'**

held in Mutare from 29 March – 1 April 2022

"As required by the provisions of the Radiation Protection Act (Chapter 15:15) of 2004, Section 16, and Statutory Instrument 62 of 2011 (Radiation Protection Regulations; Safety and Security of Radiation Sources) the participant has been duly approved to conduct the duties of the Radiation Safety Officer".

The Radiation Safety Officer will need to be retrained or receive refresher to maintain competence within 3 to 5 years.

V. Mavurayi- Mutanga
Acting Chief Executive Officer
