Yes you need to input in the CPd booklet and identify the categories, the signature/stamp section is the one which will be confirmed by the documents you sent.

Dear Telmore

Thanks for the feedback. However, I need to know how I will send you the information if it's in the booklet. Maybe you just needed me to just input it. I know the total CPD points required and the three articles add up to 60. May you provide feedback

Warm Regards
