Dear Madam

Re: CPD Points

My name is Mrs Theresa Adam Mangoma retired teacher and Psychological Counsellor. I had come to collect the yearly practising certificate and although I paid could not get the certificate since I did not have points to submit. I was not aware of this requirement and will endeavour to collect for 2023. However it would be difficult for me to get required points for 2022. Thus I am kindly requesting a waiver for the CPD points for 2022 and get the Practising certificate for 2023

Sincerely yours
